The Baker Resort Collection® for McGuire – Outdoor Expands with 35 New Designs for Modern Living

HIGH POINT, NC (February 2025) – [McGuire](#), a pioneer of naturally luxurious fine furniture, is proud to introduce the next chapter of *The Baker Resort Collection® for McGuire – Outdoor*. More than 30 meticulously crafted designs debut as an extension of the collection, capturing the refined sophistication and timeless appeal of luxury yachts.

Inspired by nautical design, the collection features exceptional materials and textures in a soft neutral palette, such as classic teak, sailcloth-white stone, and durable, weather-resistant upholstery. Each piece offers modern silhouettes that reflect McGuire's commitment to superior craftsmanship and enduring style, creating seamless transitions between indoor and outdoor living.

“This latest evolution of *The Baker Resort Collection® for McGuire – Outdoor* deepens our dedication to elevating outdoor spaces with versatile and imaginative designs,” said Erica Wingo, Senior Vice President of Merchandising and Marketing at Baker-McGuire. “The pieces offer both beauty and durability – while honoring McGuire’s heritage of coastal California – perfect for creating relaxing, resort-inspired outdoor retreats.”

Highlights from the new introductions of *The Baker Resort Collection® for McGuire – Outdoor* include:

- **Cutter Rectangle Dining Table** – This grand-scale rich teak table, available with a stone or slatted wood top, features an intricately designed handcrafted base, akin to the work of traditional boat makers.

- **Ketch Spot Table** – Inspired by the clusters of teak pilings that dot the seaside, the Ketch Spot Table is an imaginative piece crafted in brown travertine. This sleek, organic accent table features brown travertine that works well with any seating arrangement.
- **Sloop Console Table** – Designed to anchor any indoor or outdoor living space, the Sloop Console Table is a unique and artistic piece that nods to classic nautical design. The teak slats on its lower shelf are inspired by the classic teak and holly floors seen on iconic sailing vessels.
- **Schooner Swivel Lounge Chair** – Fluid curves and classic lines define the Schooner Swivel Lounge Chair, designed to mimic the shaping of its namesake sailing craft. The chair is perfectly at home indoors or outdoors, with upholstery and a swivel feature that provide added comfort in all environments.
- **Schooner Chaise Lounge** – This lounge offers a chic and modern design, with continuous curves and organic lines formed in teak. It is ideal for reading, sunbathing or quiet daydreaming.
- **Cutter Bench** – Modern and nautical, this stylish bench features a clean-lined form, with a meticulously designed base that is as refined as the gears of a motor craft.

The newest additions to *The Baker Resort Collection® for McGuire – Outdoor* are now available to the trade via showrooms nationwide, and they will be showcased at High Point Market in April 2025.
